
Hoja de Reflexión

Escuchen a lo que tú y tu compañero grabaron y contesten estas preguntas.

1. Overall, what stood out as positive about the conversation?
2. How could you improve the improv and what would you do differently if you could do it again?
3. Did you and your partner incorporate new vocabulary/grammar from this etapa? Was it used correctly? Give examples.
4. Was there a lot of substance in the content or were there many fillers such as "um" o "sí?" Did you repeat the same words? Explain.
5. Was the presentation animated and lively or a bit dull? Explain why and give examples.
6. How well did you communicate with your partner during the 5-minute planning time? Explain.
7. If you were asked to assess your performance for a grade, what would that be & why?
